Impulse Loop

A New Era of Volunteering

Volunteering, Reimagined – Flexible, Rewarding, and Built for Today
Through our innovative model:

Volunteers get recognized

Charities get stronger

Businesses drive change

Why Now ?

Declining Volunteer Participation

In 2023/24, only 16% of adults in England engaged in formal volunteering monthly, a significant drop from 27% in 2013/14.

Challenges In Volunteer Recruitment

Approximately 61% of charities are struggling to recruit volunteers, with 47% not seeing an increase in volunteer numbers over the past year

Barriers To Volunteering

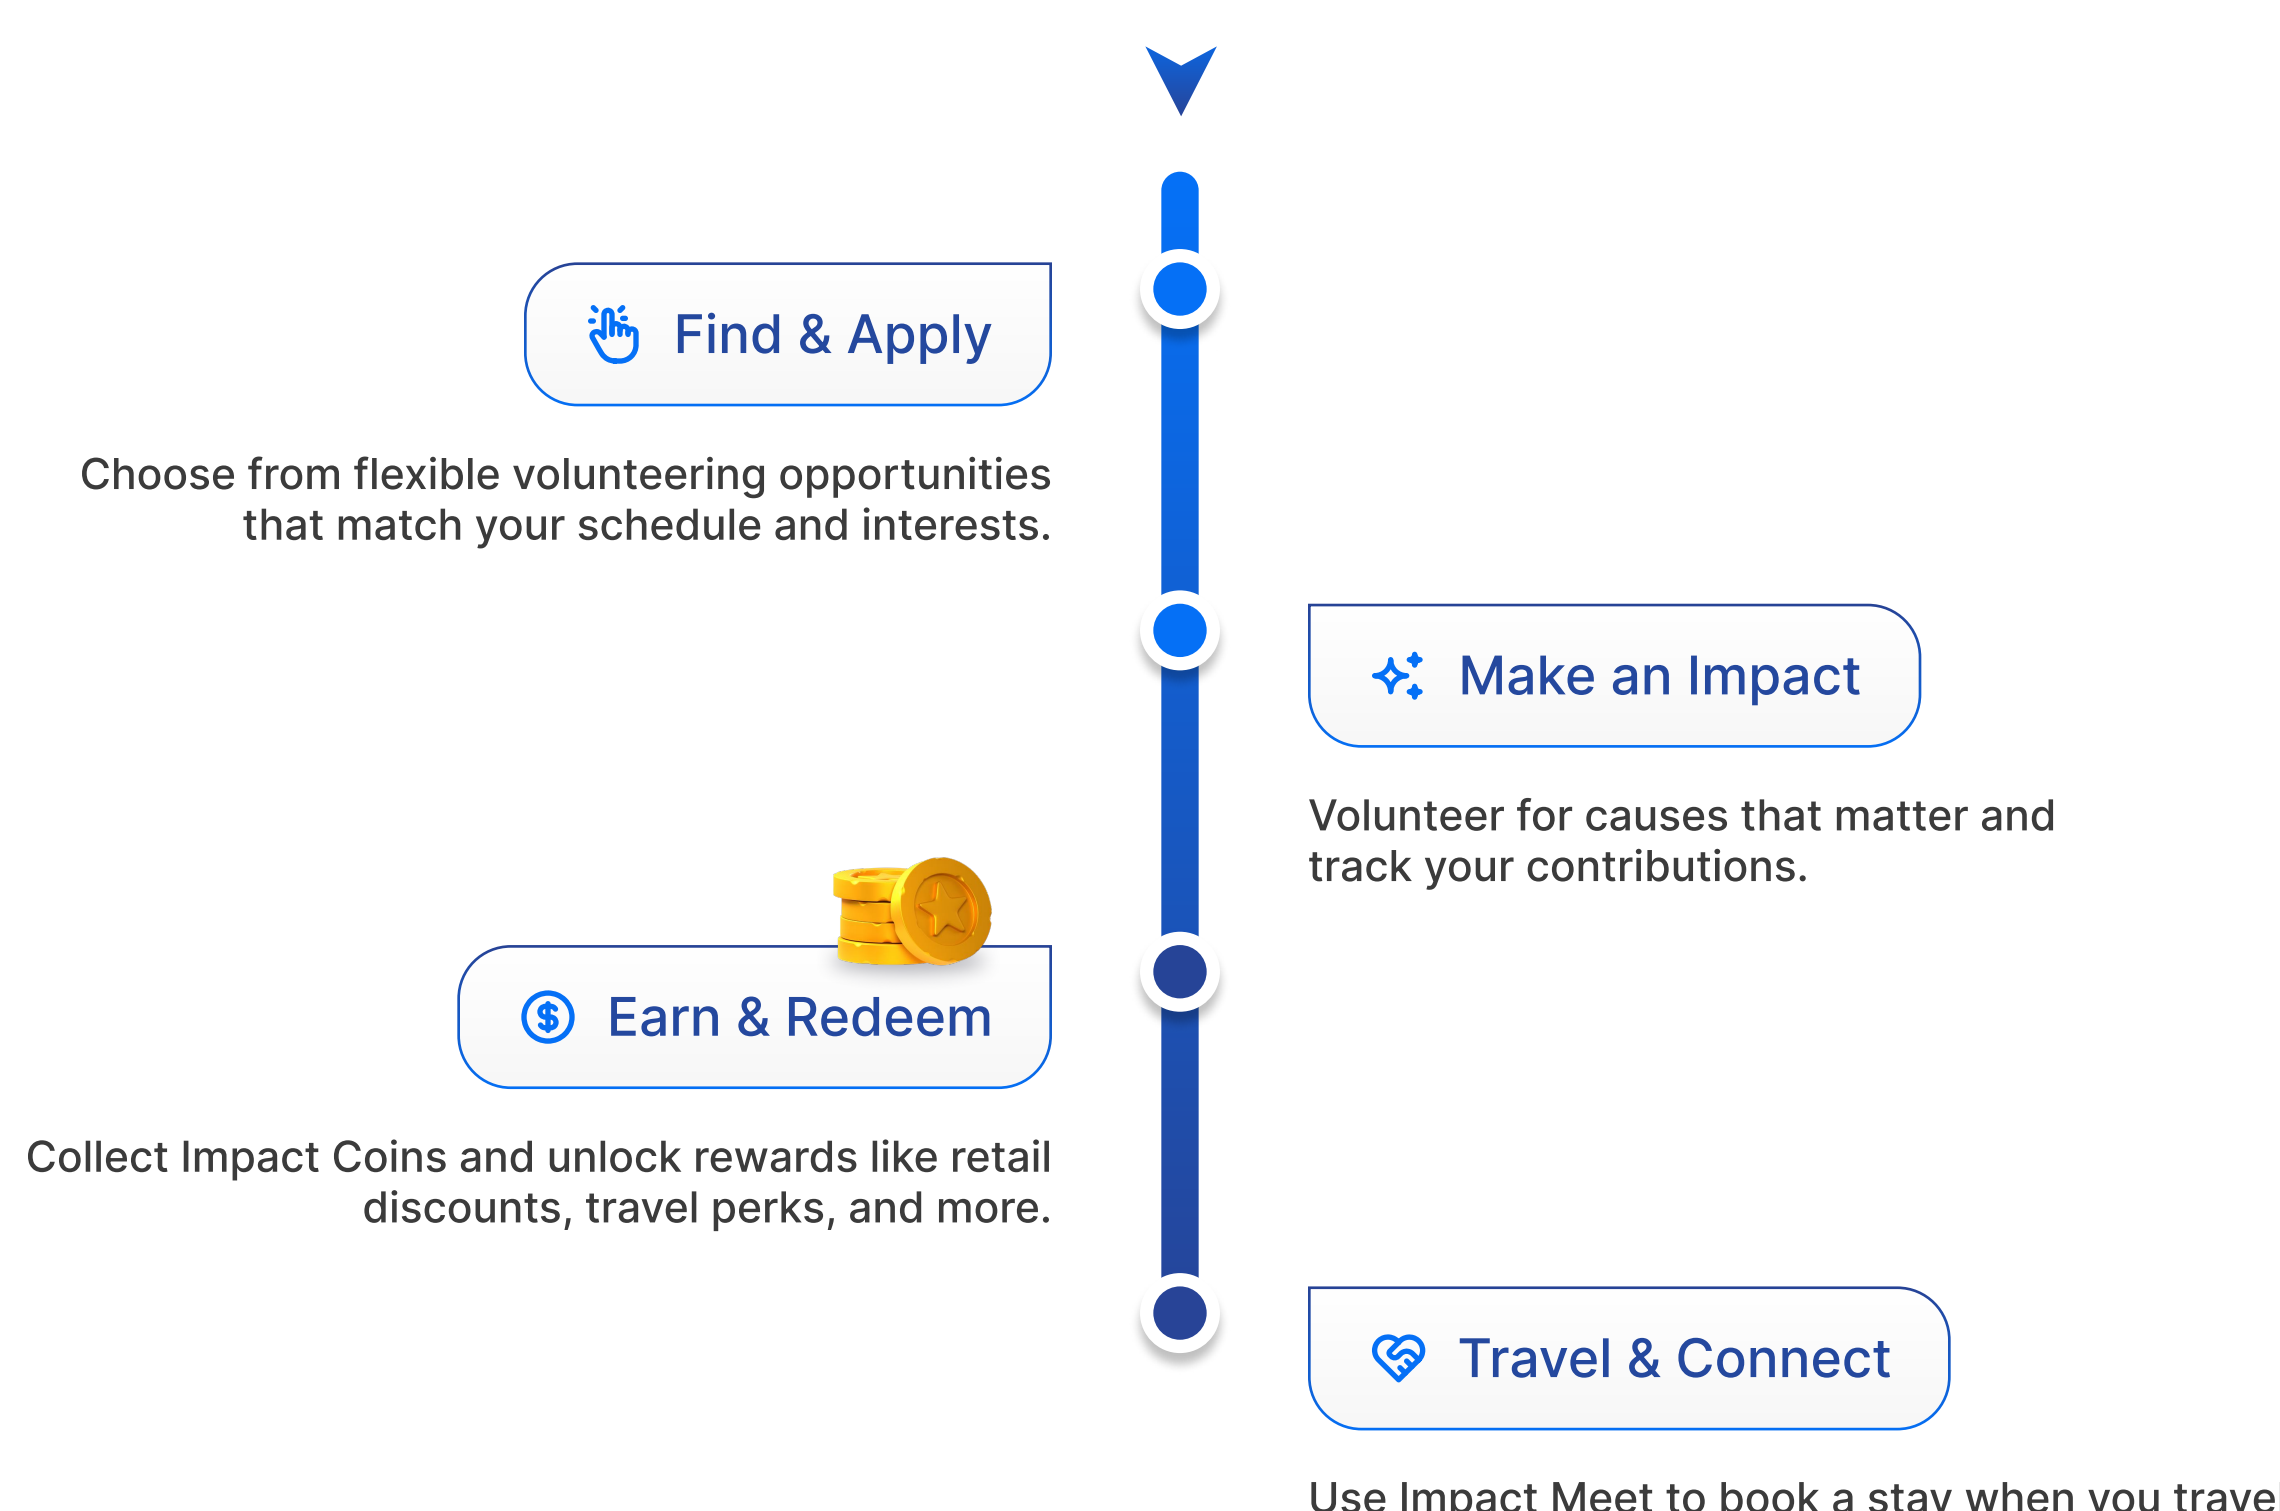

The primary reasons for not volunteering include lack of time (59%) and lack of interest (50%)

The Problem We're Fixing

- Managing Volunteering is outdated**
Finding opportunities is difficult, time-consuming and doesn't fit modern lifestyles
- Charities struggle to attract volunteers**
Attracting and keeping committed volunteers is a growing challenge.
- Volunteers rarely get rewarded**
Businesses want to support volunteering, but there's no structured ecosystem to connect them with volunteers.

We make finding and managing volunteering easy, flexible, and rewarding. Fit it into your life, make an impact, and get rewarded

How it Works

A Sustainable Future for Giving Back
